

Zambezi Valley Special 2016 and 2017 Season

\$ 675 per day

Much has been written and said lately of the decline in the hunting quality in the Zambezi Valley. Things like mature, hard topped buffalo are hard to find, over hunting and poaching have decimated animal populations etc. etc. The sad truth is there is some basis to these claims. There is no doubt that hunting in The Valley has gotten a lot harder compared to 10 years ago. Despite this, the Zambezi Valley offers some great hunting opportunities. This is real hunting. There are no high fences, no manicured roads and no artificial water holes. The camps are not 5 star hotels, just good hunting camps but with all the necessary amenities. This is real Africa with its beautiful escarpment, wicked Jesse, abundant riverine and a wildness to it that only true Africa can give you.

HHK Safaris is going to restructure the way Zambezi safaris are priced. We are going to offer you lower daily rates and higher trophy fees. In other words, the pressure is on us to perform. We have to get you your key species, because if we don't, we don't make any money. The gist of the change is that, if you are successful, we are successful. We are confident enough in our areas and our PHs that we can offer this type of safari.

You get exactly the same camps and same service as if you were paying the old higher daily rate. The only thing is we will want you to hunt a little bit harder, put that little bit more into it, the pressure is on us and we need to deliver so we are going to be hunting hard to achieve our mutual goals on the safari.

The base daily rate for all hunts is \$675/day. That includes elephant bull, tuskless elephant, lion, leopard, hippo, buffalo, crocodile, sable and all the plains game. You can choose between a 7 day, 10 day, 14 day, 18 day or 21 day hunt and you can hunt all species on any hunt, provided we have quota available on that animal. We will, of course, tell you before you book a hunt what we do or don't have available.

Here is a table of the hunts and trophy fees on the key species. All other trophy fees and costs are as per our regular price list.
